E-mail: David @ ssc.wisc.edu

1. Background and Positions
Colleges, universities attended.

<u>Institution</u>	<u>Years</u>	<u>Discipline</u>	<u>Degree</u>	<u>Date</u>
Swarthmore College	1951-55	Mathematics	AB (honors)	1955
University of Michigan	1955-60	Economics	MA	1957
		Economics	Ph.D	1960

Professional positions

Consultant (pro bono) 4/2002- Research professor 2001-	Census Bureau, economic directorate Joint Program in Survey Methodology University of Maryland – College Park MD 20742 Department of Economics
Professor 1967- 2001 (1961-64, Assistant; 1964-67, Associate; Emeritus, 2001-)	University of Wisconsin — Madison Madison, WI 53706 Data and Computation Center Social Science Research Institute
Director, 1977-80 Chairman, 1970-71	
Consultant 2001-2002 (Visiting Professor 9/1998 - 1/1999, 1 - 6/2000)	Joint Program in Survey Methodology University of Maryland, College Park, MD
Fulbright guest professor February - June, 1993	Institute for environment and management Wirtschafts Universität Wien, Vienna, Austria
Visiting scholar February - June, 1992	Resources for the Future Washington, DC
Visiting professor, July, 1986	Johann-Göthe Universität, Frankfurt, Germany
Visiting Professor, Senior Fellow 1974-76	Dept. of Economics, Institute for Development Studies University of Nairobi, Nairobi, Kenya
Visiting Professor and Program Director 1971-72	Institute for Social Research University of Michigan, Ann Arbor, MI 48106
Visiting Scholar (NSF Senior Fellowship) 1967-68	Institute for Social and Economic Research York University, York, England
Fiscal Economist 1961-62	Office of Tax Analysis United States Treasury, Washington, DC
Study director 1959-61	Survey Research Center, Institute for Social Research University of Michigan, Ann Arbor, MI 48106

Professional honors; offices in professional organizations

Member of professional advisory boards

2000-	National Institute of Statistical Science: Digital government project to provide data access without disclosure	
1999	Grant review panel: Knowledge and distributed intelligence (Mar-Jul)	National Science Foundation
1998	Grant review panel: Measurement methods and statistics	National Science Foundation
1995	Site review of the Joint Program in Survey Methodology, OMB/NSF	Arlington VA

1994-98 NASA Socioeconomic Data Applications Center User Working Group CIESIN, Saginaw MI

1990-97 Advisory Board to the Socio-economic Panel Deutsches Institut für Wirtschaftsforschung
Berlin, Germany

1988-94 Committee on National Statistics (CNSTAT) National Research Council
1989-92, CNSTAT, Panel on SIPP Washington, DC 20418
1989-93, CNSTAT, Panel on Confidentiality and Data Access

1986- Advisory Committee to Statistics of Income Division Internal Revenue Service
Washington, DC

1979-84 American Economic Association-Census Advisory Committee Bureau of the Census
Suitland, MD

1978-79 Wisconsin Tax Reform Commission Madison, WI

1980-84 Advisory and Planning Committee on Social Indicators Social Science Research Council
1983-88 Chair, SSRC Committee on SIPP New York City, NY
1983-85 SSRC Committee on Longitudinal Data

1980-84 Executive Committee National Bureau for Economic Research
Conference on Income and Wealth Cambridge, MA

1980-82 Panel on Statistics on Family Assistance National Research Council

1982-84 Grant Review Panel: Measurement Methods National Science Foundation
and Data Resources Washington, DC

Awards

Fulbright Lecturing/Research Award, February - June 1993 Wirtschafts Universität, Vienna, Austria

University of Wisconsin System — Faculty Development Award Resources for the Future
(Visiting scholar, Resources for the Future), February - June 1992 1616 P St. NW, Washington, DC 20036

Census - American Statistical Association Fellow, 1982-83 Bureau of the Census, Suitland MD 20233

Best presentation, Survey Methods Section, ASA, 1978
Fellow, American Statistical Association (ASA), 1971
NSF Senior Post-Doctoral Fellowship, 1967-68
Ford Foundation Doctoral Dissertation Fellowship, 1958-59
Fred M. Taylor Award in economic theory, 1958

Recent presentation

National Research Council. Workshop on formula apportionment of funds (26-27 April 2000)

Recent referee: NAS (11/02), NSF(10/02), *Sociological Research Methods* (07/02)

Vital information

BORN: January 21, 1935 in Heemstede, Netherlands
CITIZENSHIP: United States MARRIED: to Elizabeth Likert, September 7, 1957
CHILDREN: Peter Rensis (1959) and Margaret Meigs (1962) and Andrew J.H. Meigs (1964)

2. Refereed Publications

Public Sector Economics and Measurement

1998. edited with Courtenay Slater. *Measuring the Government Sector of the U. S. Economic Accounts*. (Report of a workshop sponsored by the Committee on National Statistics, National Research Council).
1994. with Courtenay Slater. Preface. *Voluntas* 4(4), Special issue on the not-for-profit sector of the economy: measurement and presentation in federal statistics. (Volume edited by the authors.)
1991. Comment on Atrostic and Nunns 'Measuring tax burden: A historical perspective'. In Ernst Berndt and Jack Triplett (eds.) *Fifty Years of Economic Measurement: The Jubilee of the Conference on Research in Income and Wealth*. 408-416.
1985. With P. Menchik. The effects of Social Security on wealth accumulation and bequests. *Economica*, 52: 421-34.
1985. With Timothy Smeeding. Introduction. In M. David and T. Smeeding (eds.), *Horizontal Equity, Uncertainty and Economic Well-being* (volume 50 of the Conference on Research on Income and Wealth). Chicago: University Press.
1983. With P. Menchik. Reply and Comment on Brown. *National Tax Journal*. 36: 515-21.
- National Research Council. 1982. *A Review of Statistics for Family Assistance and Related Programs*. (co-authored Ch. 6 with J. Tanur).
1982. With P. Menchik. The incidence of a lifetime consumption tax. *National Tax Journal*. 35: 189-204.
1981. The Use of Attitude Surveys in Determining Public Policy. In K. Roskamp and F. Forte (editors) *Reforms of Tax Systems*. Detroit: Wayne University Press.
1975. Measurement of the cost of living including the public sector. *Annals of Economic and Social Measurement*. :133-152.
1975. With Miller, R. Capital Gains and Individual Income - Evidence on Realization and Persistence. *Personal Distribution of Income and Wealth* James Smith (ed.), Conference on Income and Wealth v. 39: 121-150 and Comment on Part III. *op. cit.* 225-229. New York: Columbia University Press.
1968. With Jane Leuthold. Non-categorical formulas for income maintenance: Their distributional impact. *Proceedings of the social statistics section, American Statistical Association or National Tax Journal*.
1968. *Alternative Approaches to Capital Gains Taxation*. Washington: Brookings Institution.

Surveys, Data and Databases

2001. With Christopher Bollinger. Estimation with response error and non-response: Food Stamp participation in the SIPP. *J. Business and Economic Statistics*.(April 2001) 129-142.
1997. with Christopher R Bollinger. Modeling discrete choice with response error: Food Stamp participation. *J. of the American Statistical Association*. 92: 827-835 (Supersedes 1993 *Proceedings of the Survey Research Section, American Statistical Association*).
1993. Discussion "Database Systems: Inferential security". *J. Official Statistics*. 9(2):501-502.

1993. Systems for metadata: documenting scientific databases. *Proceedings of the Twenty-Sixth Annual Hawaii International Conference on Systems Sciences*, 3:460-69.
1992. Alternative scientific designs for SIPP. *J. of economic and social measurement* **18(1-4)**: 5-23.
1991. The science of data sharing: Documentation. In Joan Sieber (ed.) *Sharing social science data: Advantages and challenges*. Newbury Park, CA: Sage Publications, 91-115.
1988. With Alice Robbin. SIPP ACCESS: Information tools to improve access to national longitudinal panel surveys. *Research Quarterly*. 26: 499-515.
1989. Managing panel data for scientific analysis: the role of relational database management systems. In Dan Kasprzyk, Greg Duncan, Graham Kalton, and M.P. Singh (eds.) *Panel Surveys*. New York: Wiley Interscience. 226-241.
1985. Introduction. In M. David (ed.) *Journal of Economic and Social Measurement*. 13:
1985. The distribution of income in the U.S.: Implications for the design of the Survey of Income and Program Participation. In M. David (ed.) *Journal of Economic and Social Measurement*. 13:
1985. The scientific potential of SIPP: Critiques of its content and Methods. In M. David (ed.) *Journal of Economic and Social Measurement*. 13:
1985. With Alice Robbin and Richard Rockwell. Summary and Recommendations: Second SSRC Symposium on the Scientific and Research Potential of SIPP. In M. David (ed.) *Journal of Economic and Social Measurement*. 13:
1985. With Richard C. Rockwell, Alice Robbin and Franklin W. Monfort. Summary of the SIPP conference and recommendations of the conferees. In M. David (ed.) *Journal of Economic and Social Measurement*. 13:
1986. With R. Little, M. Samuhel, and R. Triest. Alternative methods for CPS income imputation. *Journal of the American Statistical Association*. 383: 29-41.
1981. With Alice Robbin. The Great Rift: Gaps between administrative records and knowledge created through secondary analysis. *Review of Public Data Use* 9: 153-66.
1980. Access to data: The frustration and utopia of the researcher. *Review of Public Data Use*. 8: 327-337.
1974. With Gates, W. and Miller R. *Linkage and Retrieval of Microeconomic Data*. Lexington: DC Heath.
1967. With R.F. Miller and R. Bauman. The Wisconsin Assets and Incomes data archive. *Social science information*. 49-70.
1962. The validity of income reported by a sample of families who received welfare assistance. *Journal of the American Statistical Association*. 57: 680-5.

Environment

1988. With E. F. Joeres, E. D. Loucks, K. W. Potter, and S. D. Rosenthal. Effects of diversions on the North American Great Lakes. *Water Resources Bulletin*. 24:141-148.
1983. With E. Joeres. Is a viable implementation of TDPs transferable? In (Land Economics monograph No. 6, edited by the authors) *Buying a Better Environment: Cost-effective Regulation Through Permit Trading*. Madison, WI: University of Wisconsin Press.

1981. With William O'Neil, E. Joeres, and C. Moore. Transferable discharge permits and economic efficiency. *Journal of Environmental Economics and Management*. 10: 346-355.
1983. With E. David. Cost effective management options for attaining water quality. *Water Resources Bulletin*. 19: (June).
1980. With E. Joeres and J. Peirce. Marginal cost analysis for deriving least cost operating schedules for publicly owned treatment facilities. *Water Resources Planning and Management Div. ASCE* (July, 1980) 427-38.
1980. With Peirce J.J. and E. Joeres. Fairness considerations and alternative policies for water resources management. *J. of Water Resources Planning and Management, ASCE* 106 (WR1)
1980. With W. Eheart, and E. Joeres. Distribution methods for transferable discharge permits. *Water Resources Research*. 16: 833-43.
1980. With W. Eheart, E. Joeres and E. David. Marketable effluent permits for the control of phosphorous influent into Lake Michigan. *Water Resources Research*. 16: 263-70.
1980. With E. Joeres and J.J. Peirce. Phosphorus pollution control in the Lake Michigan watershed. *Policy Analysis*.
1979. With E. Joeres and J.J. Peirce. Application of fairness considerations to phosphorus control policies. *Water Resources Bulletin AWRA*. 15: 779-788.
1976. With F.J. Schroeder, J.J. Peirce, E.F. Joeres, and D.A. Braasch. Implementation of phosphorous removal orders in the Wisconsin sector of Lake Michigan watershed - A statistical study of water quality. *Environmental Engineering Division ASCE (EE2)* (April) :433-477.
1975. With P. Caffrey and R.K. Ham. A procedure for the evaluation and comparison of environmental impact of solid waste landfills. *J. Environmental Engineering Division (ASCE)*. September.
1973. *Environmental Quality and Social Behavior: Report of the Study Conference on Research Strategies in the Behavioral and Social Sciences on Environmental Problems and Policies*. NRC-NAS. (I served as editor and contributed Chapters 3, 4 and portions of 6.)

Labor economics

1983. Discussion of 'The size distribution of nonwage compensation' by T. Smeeding'. In Jack Triplett (editor), *The Measurement of Labor Cost*. Conference on Research on Income and Wealth. v. 48: 278-285. Chicago: University Press.
1968. With T. Otsuki. Forecasting short-run variation in labor market activity. *Review of economics and statistics*.
1966. With Holt, C.C. The concept of vacancies in a dynamic model of the labor market. In Universities-National Bureau Conference. *The Concept and Measurement of Vacancies*. 73-110.

Income, wealth, and bequests

1988. With Paul Menchik. Changes in cohort wealth over a generation -- Perspectives gleaned from life tables and differential mortality. *Demography*. 25:317-335.
1989. Comment on Year-Apart Estimates of Net Worth from SIPP. In Robert E. Lipsey and Helen S. Tice (eds.) *The Measurement of Saving, Investment, and Wealth*. Conference on Research in Income and Wealth, v. 52. Chicago: University of Chicago Press.

1984. With P. Menchik. Non-Earned income, income instability, and inequality: A life cycle interpretation. In Seymour Sudman and Mary A. Spaeth, *The Collection and Analysis of Economic and Consumer Behavior Data* (Urbana: University of Illinois Press, 1984) 53-74.
1983. With P. Menchik. The effect of income distribution and redistribution on lifetime savings and bequests. *American Economic Review*. (September, 1983) earlier version available as presented to the NBER Conference on Taxation of Capital, November 1979. Available from the Institute for Research on Poverty, University of Wisconsin, as DP 582-79.
1982. With P. Menchik. Distribution of estate wealth and its relationship to intergenerational transfers. *Proceedings of the Social Statistics Section American Statistical Association*. 484-489.
1980. Discussion of 'The bequest process and the causes of inequality in the distribution of wealth' by M. Wolfson. In James Smith (ed.) *Modeling the Intergenerational Transmission of Wealth*. Conference on Income and Wealth, v. 46. Chicago: University Press.
1975. With Miller, R. Capital gains and individual income - Evidence on realization and persistence. *Personal Distribution of Income and Wealth* James Smith (ed.), Conference on Research on Income and Wealth v. 39: 121-150. Comment on Part III. *op. cit.* 225-229. New York: Columbia University Press.
1970. With Miller, Roger F. A naive history of individual incomes in Wisconsin, 1947-1959. *Review of Income and Wealth*. 16: 79-116.
1964. Incomes and dependency in the coming decades. *American Journal of Economics and Sociology*, 3: 249-268.
1963. With Morgan, J. Education and income. *Quarterly Journal of Economics*. 77: 423 ff.
1962. With Morgan, J., Cohen, W., and Brazer, H. *Income and Welfare in the United States*. New York: McGraw-Hill Book Company.
1962. *Family Composition and Consumption*. Amsterdam: The North-Holland Publishing Company.
1959. Welfare, Income and Budget Needs. *Review of Economics and Statistics*, 41: 393-99.

Policy analysis

1976. Strategies for improving policy relevant data on the poor. *American Statistician* 30(8) 129-133.
1972. The State of Michigan view of HEW. In Mushkin, S. (ed.) *Services to People: State and National Urban Strategies*. Washington, DC: Georgetown University, Public Services Laboratory. 83-113.
1970. Legislation, enforcement and the filing of tax returns. *National Tax Journal*. (December).
1970. With R.F. Miller, H.M. Groves and E.A. Weigner. Optimal choices for an averaging system - A simulation analysis of the Federal averaging formula of 1964. *National Tax Journal*. : 275-296
1967. Potential contributions of social science research to consumer welfare. *Journal of Consumer Affairs*. 105-22.

Development

1982. The transition in smallholder banking in Kenya: Evidence from rural branch loans. *Journal of Developing Areas* 16: 71-86.

3. Contributions to proceedings, hearings, and reports

Public Sector Economics and Measurement

1994. Confidentiality and access to establishment data. *Proceedings of the Social Statistics Section of the American Statistical Association*.
1982. Discussion--Non-cash income, its measurement and impact on economic well-being, and on Federal policy and programs. *Proceedings of the Social Statistics Section, American Statistical Association*. 101-103.
1982. With S. Oliner and R. Haveman. September, *The Economic Recovery Act of 1981: An Early Assessment of its Effects on Business Innovation prepared for the National Science Foundation* (101 pages plus appendixes)
- June 1979. *Citizens View Taxation and Tax Reform for Wisconsin*. Institute for Research on Poverty, Madison (special Report SR-25).
- Capital gains cuts: Voting to create a caste system. *Tax Notes* 7 (August 7, 1978), 131-133.
1976. With Peter Wyeth, *A survey of rural loan recipients: credit use and demands of farm and business enterprises*. Nairobi: Kenya Commercial Bank, 110 pages.
1973. Statement on the accelerated depreciation provisions of the Internal Revenue Code. In Committee on Ways and Means, *Panel Discussions: General Tax Reform*. (93 Congress, First Session) Pt. 3, February 7, 1973, pp. 412-27.
1973. Increased taxation 1973) With increased acceptability: A discussion of net worth taxation as a Federal revenue alternative. *Journal of Finance*. (May 481-495.
1972. Comment on ADR. *Journal of Finance* (May 1972) : 537-541.
1972. With Miller, R.F. The lifetime distribution of realized capital gains. In Joint Economic Committee, U.S. Congress. *The Economics of Federal Subsidy Programs*. (July 1972).
1971. Comment on the 1969 Tax Reform Act revisited. *Proceedings of the National Tax Association*.
1971. With R. F. Miller. Simulation in a tax model. *Proceedings of the Association for Computing Machinery*. : 236-44.
- June 1970. Revision of the College Scholarship Service formula for determining aid.
1969. Summary of discussion and epilogue. In Alan T. Peacock (ed.) *Roundtable Conference on Quantitative Methods in Public Finance*. New York: Praeger.
1969. Comment on work incentives and Social Security. *Public Finances*. : 256-63.
1969. A proposal for revision of capital gains tax provisions and critique of Treasury proposals in related areas. U.S. Committee on Ways and Means, *Hearings: Tax Reform 1969*. V12: 4273-4309.
1969. With Miller, Roger F. A proposal for revision of averaging provisions of the Federal Internal Revenue Code. U.S. Committee on Ways and Means, *Hearings: Tax Reform 1969*. V5: 1939-65.
- February 1967. Public Lands Impact Study Committee, State of Wisconsin. *Payments in lieu of taxes on State-owned lands*.

1966. Evaluating structural changes in capital gains taxation. *Proceedings of the National Tax Association*. (November 12, 1966).
1964. Comment on measuring poverty. *Proceedings of the Social Statistics Section of the American Statistical Assoc.* 451-453.
1964. Economic effects of the capital gains tax. *American Economic Review*. (May 1964) 288-299.

Surveys, Data, and Databases

- 2001, November. Why evaluate business data collections? U.S./Executive Office of the President/OMB. *Statistical Policy Working Paper 34* (Part 5) 11-20. (Also at www.fcsm.gov.)
2002. With Christopher Bollinger. Response error in Unemployment Compensation: Implications for modeling duration of spells. *Proceedings of the American Statistical Association* (2001 Atlanta). Alexandria VA: American Statistical Association (6 pages CD format).
- 2000, April. Monitoring Income for Social and Economic Development. In Burt S. Barnow, Thomas A. Kaplan, and Robert A. Moffitt (editors) *Evaluating Comprehensive State Welfare Reforms: The Wisconsin Works Program*. Albany, NY: Rockefeller Institute Press. (Previously issued as *Special Report series 69* Madison WI: Institute for Research on Poverty).
1999. With Jeffrey Moore. Cognitive science and improvement in income measurement. In Sirken, Monroe, Thomas Jabine, Gordon Willis, Elizabeth Martin, and Clyde Tucker (eds.). *A New Agenda for Interdisciplinary Research: Proceedings of the CASM II Seminar*. Hyattsville MD: USHHS/ NCHS.
1999. Reporting on error in establishment surveys - Discussion. US / OMB/OIRA. Federal Committee on Statistical Policy: *Seminar on Inter-agency Coordination and Cooperation*. Statistical Policy Working Paper # 28.
1999. Killing with Kindness: the Attack on Public Use Data. *Proceedings of the Government Statistics Section of the American Statistical Association*. (Dallas TX).
1998. Monitoring Income for Social and Economic Development. In Heinz Galler and Gert Wagner, editors, *Empirische Forschung und wirtschaftspolitische Beratung*. Frankfurt/New York: Campus, 61-78.
1996. With Christopher Bollinger and Kent Marquis. Identifying unreliable respondents: Can missed interviews proxy for validation? *Proceedings of the Survey Methods Section of the American Statistical Association*. (Chicago IL, 7 August 1996) v.2 p. 675-680.
1995. With Christopher Bollinger. Sample attrition and response error: Do two wrongs make a right? *Proceedings of the Annual Research Conference*. Washington DC: Bureau of the Census, 114-128.
1995. Creating desktop documentation: Individual income tax return microdata, *Statistics of Income*. In *Turning administrative systems into information systems: 1995*. Washington DC: Internal Revenue Service, Statistics of Income Division.
1995. Desktop documentation: Individual income tax microdata, SOI. *Proceedings of the Survey Research Section of the American Statistical Association*.
1993. With Christopher Bollinger. Modeling Food Stamp participation reported with error. *Proceedings of the Social Statistics Section of the American Statistical Association* 220-225.
1994. with John Czajka. Metadata for establishment surveys: Corporation Statistics of Income. *Proceedings of the International Conference on Establishment Data*. Alexandria VA: American

Statistical Association.

1993. With Christopher Bollinger. Modeling Food Stamp participation in the presence of reporting errors. *Census Annual Research Conference, 1993*, 289-310.
1993. with David Kendrick and other Co-authors. Research opportunities in computational economics. *Computational Economics* 6:257-314. (Abridged Report of the NSF workshop on computation, Center of Economic Research, Department of Economics, University of Texas, Austin, TX 78712 Report R-91-1.)
1992. A citizen's view. *Planning the next Census: Getting the most for our money in the 2000 Census: Hearing before the Subcommittee on Government information and Regulation of the Committee on Governmental Affairs, US Senate*. (102C. 2S, 26 June 1992) 68-71.
1992. Benefitting Benefit Transfer: Information Systems for Complex Scientific Data. *Proceedings of the benefits transfer workshop of the Association of Environmental and Resource Economists*. Snowbird UT.
1992. with Alice Robbin. *Building new Infrastructures for the Social Science Enterprise: Final Report to the National Science Foundation on the SIPP ACCESS Project, November 1984 - December, 1991*. Madison, WI: Institute for Research on Poverty. (2 Volumes, ca. 400 pp.)
1991. Comments: *Improving Information for Social Policy Decisions*, The Report of the NRC Panel to Evaluate Microsimulation Models. Presented to the American Statistical Association 20 August, 1991.
1990. Modeling Retention and Attrition of Longitudinal Members of the 1984 SIPP Panel: Implications for Analysis. *Proceedings of the Social Statistics Section, American Statistical Association*.
1989. With Alice Robbin. Database design for large-scale, complex data. *Computing Science and Statistics: Proceedings of the 21st Symposium on the Interface*. Alexandria, VA: American Statistical Association.
1988. With A. Robbin and T. Flory. Access to data: Handling the 1984 Survey of Income and Program Participation. *Proceedings of the Statistical Computing Section of the American Statistical Association*.
1987. With J. Fitzgerald. Measuring poverty and crises: Insights into SIPP data quality. *Proceedings of the 3rd Annual Census Research Conference*. Washington, D.C.: U.S. Bureau of the Census, 662-672.
1986. Discussion of papers by Kobilarcek and Singh, Hubble and Judkins, and Weidman. *Proceedings of the Survey Methods Section, American Statistical Association*.
1985. Designing a data center for SIPP: An observatory for the social sciences. *Proceedings of the Social Statistics Section, American Statistical Association*.
1984. Comments on papers by D. C. Dahman, P. M. Ryscavage, and S. E. Haber, *Proceedings of the Social Statistics Section American Statistical Association*. 534-536.
1983. With Robert Triest, Roderick J. A. Little, Michael Samuhel, Imputation models based on the propensity to respond. *Proceedings of the Business and Economic Statistics Section of the American Statistical Association*.
1983. With Robert Triest. The CPS Hot Deck: An evaluation using IRS records. *Proceedings of the Survey Research Methods Section of the American Statistical Association*. 1983.
1983. Measuring income and program participation. In *Technical, Conceptual and Administrative Lessons of the Income Survey Development Program*. Edited by the author. New York: Social Science Research Council, 1-20.

1982. Discussion — Results from the Income Survey Development Program. *Proceedings of the Survey Research Section, American Statistical Association*. 358-59.
1982. Statement on the future of Federal statistics (and comment on The Survey of Income and Program Participation), for the Census and Post Office Subcommittee of the House of Representatives 16 March 1982.
1981. With M. Hedstrom, A. Robbin, G. Thom and Max Evans. *Archival Preservation of Machine Readable Records: a Final Report*. Madison: State Historical Society of Wisconsin.
1980. Survey of Income and Program Participation II: Discussion. *Proceedings of the Survey Research Methods Section of the American Statistical Association*. 1980.
1978. Wealth and public policy: The Relevance of SIPP and a program for future research. *Proceedings of the Survey Research Methods Section, American Statistical Association*.
1977. Comment on consumer expenditure surveys. *Proceedings of the Economics Section of the American Statistical Association*.
1969. Comment on 'Ex-Ante household savings data: Some preliminary results' by F.T. Juster. *Proceedings of the Business and Economics Section, American Statistical Association*. (August 21, 1969).

Labor economics

1977. Further evidence on the dynamics of family labor supply decisions: A multivariate logistic model of quitting and relocating as family unit Decisions. In J.N. Morgan (ed.) *Five Thousand American Families: Patterns of Progress*, Vol. 5. Ann Arbor, MI: Institute for Social Research.
1974. The dynamics of family labor supply decisions: Quit and relocation as a family unit decision. In James N. Morgan (ed.) *Five Thousand American Families*, V2 (Ann Arbor: Institute for Social Research) 121-156.

Income, wealth and bequests

1989. With Tom Flory. Change in marital status and short-term income dynamics (presented to SSRC Conference on Individuals and Families in Transition: Understanding Longitudinal Data). *Proceedings of the Social Statistics Section, American Statistical Association*.
1987. With Paul Menchik. Changes in cohort wealth over a generation: Perspectives from life tables. *Proceedings of the Social Statistics Section, American Statistical Association*.
1982. With P. Menchik. Distribution of estate wealth and its relationship to intergenerational transfers. *Proceedings of the Social Statistics Section American Statistical Association*. 484-489.
1971. Lifetime income variability and income profiles. *Proceedings of the Social Statistics Section of the American Statistical Assoc*. 285-92.
1970. With L. Schroeder. Long- vs. short-run impacts of mobility on earnings. *Proceedings of the Social Statistics Section of the American Statistical Assoc*.
1969. Time-series versus cross-section lifetime earnings patterns in different occupational groups. *Proceedings of the Business and Economics Section, American Statistical Association*. (August 21, 1969)
1962. With Morgan, J. Race, economic attitudes, and behavior. *Proceedings of the Social Statistics Section of the American Statistical Association*, 2-10.

1962. With Brazer, H. Social and economic determinants of the demand for education. In Selma Mushkin (ed.), United States Department of Health Education and Welfare. *Economics of Higher Education*. Washington: Government Printing Office.
1961. With Morgan, J. The aged: Their ability to meet medical expenses. In *Financing Health Care of the Aged: Part I, A Study of the Dimensions of the Problem*. Chicago: The Blue Cross Assoc. and the American Hospital Assoc., 1:4-180.
1961. With Morgan, J. and Brazer, H. Factors affecting family income: Results of a conditional probability analysis. *Proceedings of the Social Statistics Section of the American Statistical Association*, 192-200.
1961. With Morgan J. A new interpretation of statistics on income distribution, *Proceedings of the Business and Economics Statistics Section of the American Statistical Association*, 338-47.
1961. With Morgan, J. The aged and their economic position - Some highlights of a survey taken early in 1960. In *Retirement Income of the Aged: Hearings before the Special Committee on Aging, United States Senate, 87th Congress, 1st session, July 12-13, 1961*.
