

Asian and Pacific Studies Lists

SEASIA-L

SEASIA-L is designed to facilitate communication between researchers, scholars, students, teachers, and other people interested in Southeast Asian studies with an emphasis on current events. For this list, Southeast Asia is loosely defined as Burma/Myanmar across to Hong Kong and down through Australia and New Zealand.

central-asia-studies-l

This Forum was established by the Research Schools of Social Sciences and Pacific & Asian Studies, The Australian National University, Canberra to provide a world-wide communications vehicle and a central electronic archive for anyone working on, or interested in the study of, the broadly defined Central Asia's history, politics, sociology, demography, economics, languages, culture, philosophy and religion, and to place these within the broader framework of the changing global order.

pacific-islands-l

This Forum was established by the Pacific Island Liaison Centre, RSPAS, ANU to provide a world-wide communications vehicle and a central electronic archive for anyone working on, or interested in the study and documentation of the Pacific Islands region.
