University of Wisconsin-Madison

**Satisfactory Progress Report**

**(Attach a copy of your progress report to this form)**

Students in their fifth and sixth years of study who will not be completing their degree requirements that year must write a two page progress report. The report should describe the contents, current status, and expected completion date of each dissertation chapter, and must be signed by all members of the student's reading committee. Completed and signed progress reports must be turned in to the Graduate Advisor by May 15<sup>th</sup> of each relevant year. Faculty can email the graduate advisor instead of signing the paper form.
