

Phone: Non-Normative Extension Interview

Nonnormative Extension Phone Interview

For respondents that were identified as having a child with a developmental disability or long-term, serious mental illness, an additional module was administered that asked about the child's condition and the respondent's experience caring for the child.

GH001-GH002: Health of child
 GH003-GH021: Daily activities of child
 GH022: How many hours does respondent help child
 GH023-GH076: Activities of daily living and who helps
 GH077-GH083: Living situation of child
 GH084-GH089: Social participation of child
 GH090-GH104: Negative behavior problems of child
 GH105-GH114: Mental health care of child
 GH115-GH119: Future care for child
 GH120-GH122: Respondent's participation in support groups
 GH123-GH124: Employment of the child
 GH125: Focus child's roster ID

gh001: How would you rate the health of the child with a developmental disability or long-term, serious mental illness?

Data source: Graduate Respondent Collected in: 2004 Mode: phone

Source variables: H080
