

Details about the Graduate Phone Interview

Details about the Graduate Phone Interview by Module and Session

OVERVIEW

This module [used to] contain start and stop time, date, session number, and interviewer number for each module in the phone instrument; and also the outcome and date of each attempt to contact the graduate.

All of these variables have been archived except

GA224RE - GA232RE: Interviewer Number of Phone Sessions 1 through 9.

In addition to metadata about the completed telephone interviews, data for 220 unusable partial telephone interviews is included for the following variables: GA031RE - GA090RE, GA224RE - GA232RE, GA301RE - GA475RE, and GA501RE-GA675RE. These cases responded to some of the questions in the survey, but terminated prior to reaching question br3 in the employment module.
