

Mail: Social Participation

mz001rer-mz022rer List of clubs and organizations to which the respondent belongs and level of involvement in each.

mz023rer-mz024rer Number of times in the past four weeks that the respondent has gotten together socially with family and friends.

NOTE: Please see Appendix G - COR571A for references on social participation items.

NOTE: This text refers to items mz002rer-mz022re:

Here is a list of clubs and organizations to which many people belong. (Please circle your level of involvement with each activity.)

Activities and memberships:

NOTE: Sixty-one respondents did not answer any questions in this section (mz001rer=2). Variables mz002rer-mz021re are coded "NOT ASCERTAINED/REFUSED" for these respondents. If the level of involvement is not indicated for a particular organization, the code for that organization is also "NOT ASCERTAINED/REFUSED". It is possible that some respondents only indicated levels of involvement for organizations that applied to them. If that is the case then this second category of "NOT ASCERTAINED/REFUSED" codes should be 0.

This modified questionnaire was sent to the 1975 nonrespondents who responded to the 1992 phone survey; as well as the siblings.
