

## Phone: Education

HEDUC - Graduate Spouse Education Module

### OVERVIEW

Information about the Graduate Spouse's education was collected in the following manner:

-Information on secondary education was collected in this module. Whether the respondent attended the 9th grade or high school in Wisconsin and the name and location of the high school the graduate-spouse attended the longest by the respondent were collected. If the graduate-spouse was female, her name while attending this school was also ascertained.

-Success questions are actually asked at the end of the interview. Following the 1993 codebook, they are put here.

NOTE: See cor905 in Appendix B for variable creation details.
