Note: Twenty nine respondents did not answer any questions in this section (NZ024RER=2). Variables NZ001RER-NZ020RE are coded "NOT ASCERTAINED/REFUSED" for these respondents. If the level of involvement is not indicated for a particular organization, the code for that organization is also "NOT ASCERTAINED/REFUSED". It is possible that some respondents only indicated levels of involvement for organizations that applied to them. If that is the case then this second category of "NOT ASCERTAINED/REFUSED" codes should be 0.
