Phone: Selected Child

```
If the respondent had any children who were alive, were biological
or adopted, and were 18 years or older; then one of these eligible
children was randomly chosen as the "selected" child.

  sj001sk           Selected child's marital status.
  sj002sk,sj003sk   Highest grade or year of regular school that
                    selected child ever attended. Was this grade
                    completed?
  sj004sk           Did the selected child attend a regular school
                    during the past twelve months?
  sj005sk,sj006sk   Selected child's residence while attending school
                    (during past 12 months).

See XKROS (variables sd003sk-sd016sk) for background characteristics of
this selected child.
