Jack R. Porter

Address   Department of Economics
University of Wisconsin
1180 Observatory Drive
Social Sciences Building #6448
Madison, WI 53706-1393

Phone: (608) 263-3870
Email: jrporter@ssc.wisc.edu

Citizenship   United States

Education

1996 Ph.D.	Massachusetts Institute of Technology, Economics
1991 A.B.	Harvard University, Applied Mathematics (Economics), summa cum laude

Positions

2010-present	Professor of Economics, University of Wisconsin, Department of Economics
2004-2010	Associate Professor of Economics, University of Wisconsin, Department of Economics
2000-2004	Associate Professor of Economics, Harvard University, Department of Economics
1996-2000	Assistant Professor of Economics, Harvard University, Department of Economics
2001-2002	Visiting Associate Professor, University of California, Berkeley, Department of Economics
2001-2002	Visiting Research Associate, Center for Labor Economics, University of California-Berkeley
1994-1995	Teaching Assistant, Massachusetts Institute of Technology, Department of Economics Graduate Courses
1992-1994	Research Assistant, Massachusetts Institute of Technology

Awards

2021-2024	National Science Foundation Grant (SES-2117261)
2017	Econometric Society Fellow
2015-	Richard E. Stockwell Distinguished Chair
2010-2013	National Science Foundation Grant (SES-0962422)
2011-2013	UW Vilas Associates Award
2004-2008	National Science Foundation Grant (SES-0351259)
2007	UW Graduate School Research Award
2001-2003	National Science Foundation Grant (SES-0112095)
2006, 2008, 2010, 2015 2016, 2017	UW Graduate Student Teaching Award

Research

<u>Publications</u>

"Valid t-ratio Inference for IV," joint with David Lee, Justin McCrary, and Marcelo Moreira, *American Economic Review*, forthcoming (October 2022).

"Moment Inequalities for Multinomial Choice with Fixed Effects," joint with Ariel Pakes, *Quantitative Economics*, accepted.

"Statistical Decision Rules in Econometrics" joint with Keisuke Hirano, in *Handbook of Econometrics*, eds. S. Durlauf, L. Hansen, J. Heckman, and R. Matzkin, North-Holland, 2020, vol. 7A: 283-354.

"Comment: Simple Estimators for Invertible Index Models," *Journal of Business and Economic Statistics*, January 2018, 36(1): 16-17.

"Panel Asymptotics and Statistical Decision Theory," joint with Keisuke Hirano, *The Japanese Economic Review*, March 2016, 67(1): 33-49.

"Regression Discontinuity Designs with Unknown Discontinuity Points: Testing and Estimation," joint with Ping Yu, *Journal of Econometrics*, November 2015, 189(1):132-147.

"Location Properties of Point Estimators in Linear Instrumental Variables and Related Models," joint with Keisuke Hirano, *Econometric Reviews* (Special Issue in Honor of Aman Ullah), 2015, 34(6-10): 719-732.

"Moment Inequalities and Their Application," joint with Ariel Pakes, Kate Ho, and Joy Ishii, *Econometrica*, January 2015, 83(1):315-334.

"Impossibility Results for Nondifferentiable Functionals," joint with Keisuke Hirano, *Econometrica*, July 2012, 80(4):1769-1790.

"Asymptotics for Statistical Treatment Rules," joint with Keisuke Hirano, *Econometrica*, September 2009, 77(5):1683-1701.

"Bootstrap Validity for the Score Test When Instruments May Be Weak," joint with Marcelo Moreira and Gustavo Suarez, *Journal of Econometrics*, 2009, 149(1):52-64.

"Maximum Likelihood," in *The New Palgrave Dictionary of Economics (2nd edition)*, ed. by Lawrence Blume and Steven Durlauf, London: MacMillan, 2008.

"Asymptotic Efficiency in Parametric Structural Models with Parameter Dependent Support," joint with Keisuke Hirano, *Econometrica*, September 2003, 71(5): 1307-1338.

"Efficiency of Covariance Matrix Estimators for Maximum Likelihood Estimation," *Journal of Business and Economic Statistics*, July 2002, 20(3): 431-440.

"How Dangerous Are Drinking Drivers?" joint with Steven Levitt, *Journal of Political Economy*, December 2001, 109(6): 1198-1237.

"Sample Selection Estimation of Airbag and Seatbelt Effectiveness," joint with Steven Levitt, *Review of Economics and Statistics*, November 2001, 83(4): 603-615.
