

Economics 742
Public Finance and Fiscal Policy
Christopher Taber and Jane Cooley

This is really two different courses, one taught by Cooley and the other taught by Taber

Evaluation will be on the basis of a paper and some problem sets. This paper may be done alone or in groups, but the standard will be higher if done in groups. You must periodically meet with us to discuss the progress of the paper.

To give some specific dates:

Feb. 17 One page description of possible plan

March 3 One page outline of paper with references

April 28 First Draft of Paper

May 12 Final Draft
